

30L GENERAL PURPOSE SPILL KIT

PRODUCT INFORMATION SHEET

Overview

SpillSmart 30L General Purpose Spill Kit is a compact, versatile solution designed for quick response to small and medium spills. Available in both premium and economy options, it provides essential absorbents and containment tools for efficient clean-up of oil and water-based liquids.

Features

- Compact and portable spill kit
- Available in premium and economy options
- Includes FloorSweep, socks and pads
- Durable carry bag for easy transport
- Suitable for oil and water-based liquids
- Ready for immediate deployment

Description

SpillSmart 30L General Purpose Spill Kit is engineered to provide a practical and efficient response to everyday spill incidents across a wide range of environments.

The kit includes a combination of high-performance absorbents such as FloorSweep, pads and a sock, enabling users to contain, control and absorb liquids including oils, fuels, coolants and other non-hazardous fluids.

Available in both premium and economy configurations, the kit allows users to select the most suitable option based on durability requirements and budget. The premium kit is supplied in a robust PVC bag, while the economy option uses a lightweight nylon bag.

Its compact size makes it ideal for storage in vehicles, workshops or smaller work areas, ensuring fast access and deployment when spills occur.
