

Grease Express Fast Foam

READY TO USE FOAMING DEGREASER FOR OVENS AND GRILLS

Grease buildup is a major cause of fires and puts your operation at risk. Ecolab's Grease Express Fast Foam provides the solution making fast work out of dirty jobs, quickly dissolving stubborn grease from ovens and grills.

The fast working foam penetrates grease in half the time of ordinary degreasing products, saving you time and labour. The foam clings to vertical surfaces making it ideal for grills, venting hoods and ovens.

The improved formula reduces flashback and the foaming application minimises misting, reducing the risk of inhalation and increasing staff safety.

Grease Express Fast Foam

READY TO USE FOAMING DEGREASER FOR OVENS AND GRILLS

EFFECTIVE DEGREASING

Grease Express Fast Foam's unique degreasing formulation is quick and easy to use even in hard to reach areas. It clings to vertical surfaces allowing for better cleaning of grills, venting hoods and ovens.

OPERATIONAL EFFICIENCY

Regular grease removal ensures that equipment performs at its peak. Grease Express Fast Foam works quickly to reduce downtime.

STAFF SAFETY

Consistent grease control reduces the risk of flash fires. The foaming formulation will not hang in the air as mist during application, reducing the risk of inhalation.

GUEST SATISFACTION

Clean grills help to ensure good tasting food.

CONVENIENT PACKAGING

Grease Express Fast Foam is available in two convenient, ready to use pack sizes – 6x750mL trigger packs and 2x5Lt bottles. An extended foamer is available for the 5 litre pack size to provide ease of cleaning in hard to reach areas.

Product Code	Description
2071001	Grease Express Fast Foam 6x750mL
2071002	Grease Express Fast Foam 2x5Lt
9999-0441	3 metre extended foamer
