# AUTO WASH & WAX

### FOR CARS, TRUCKS AND EQUIPMENT

#### DESCRIPTION / APPLICATION

Auto Wash & Wax is a highly concentrated liquid detergent based on a blend of mild surfactants, soil suspending agents, carnuba wax and corrosion inhibitors. Auto Wash & Wax has a unique blend of surfactants that will break the bond of deposits with a rich foam holding them in place. It is safe on all metals and painted surfaces and is extremely free rinsing and streak free even if allowed to dry on the surface.

Auto Wash & Wax has been formulated for the removal of a wide variety of soils from trucks, buses, cars and also building exteriors. Soils would include grease, oil, carbon and mud.

#### BENEFITS

- Concentrated liquid - ensures economical dose rates
- Free rinsing - will not streak.
- Neutral pH - safe on all surfaces and also ensures maximum safety to the operator.
- Suitable for use in soft or hard water.
- Can be applied through a foaming unit.
- Contains nano size wax component for optimal UV protection

#### DIRECTIONS FOR USE

1. Mix 4 capfuls per (30ml) per 4 litres of water in a bucket while spraying a jet stream to activate suds
2. Use a clean soft mitt or microfibre sponge and wash from top of vehicle down
3. Rinse thoroughly with clean water. Dry vehicle with a clean microfiber cloth or synthetic drying cloth

#### IMPORTANT:

Do not wash in direct sunlight. Apply to surfaces which are cool to touch. If necessary rinse the car with water to cool

#### HEALTH & SAFETY INFORMATION

See separate Safety Data Sheet available on request.

#### PACKAGING

5 L Natural Bottles & 15 L Natural drums
