

CLEANING VINEGAR

Cleaning Vinegar is a commercial grade cleaner with excellent anti-bacterial properties. It is environmentally friendly and free of harsh chemicals.

DIRECTIONS FOR USE

Use straight from the bottle to clean and disinfect floors, walls, tiles, drains, windows, cooktops, laundry stains. It will remove mineral deposits from shower screen and recesses, and brighten chrome fittings.

SAFETY NOTES

Ensure adequate ventilation when using. Vapour may cause irritation. Wash hands after use. Avoid contact with skin and eyes and avoid breathing vapour or spray mist. Refer to Safety Data Sheet for more information.
