

HAND CLEANER H.D

Hand Cleaner H.D is a hard working hand cleaner designed to remove grease, oil and most industrial soiling from hands. It is used in mine sites, garages, manufacturing and engineering workshops, auto repair and maintenance workshops. In fact, Hand Cleaner H.D is ideal for hardworking hands anywhere. It is completely environmentally friendly, contains no solvents and no D'Limonene. So not only is this good for the environment it is gentle to the skin. Hand Cleaner H.D contains natural Eucalyptus Oil and is septic safe.

DIRECTIONS FOR USE

Apply about a 20 cent coins worth to your hands and work into the soiling then rinse with water.

SAFETY NOTES

Hand Cleaner H.D is not a poison and is not classified as hazardous under Worksafe provisions. Refer to Safety Data Sheet for further information.
