

PAMPER

Pamper is a premium, non-allergenic fabric softener suitable for both front and top load washing machines. It provides softness and bulk to fabrics, whilst its anti-static properties makes ironing easier.

DIRECTIONS FOR USE

Always add Pamper to final rinse cycle and not directly onto fabrics.

Top load machines: 45mL to 65mL

Front load machines: Follow machine manufacturer's directions

General soaking: 45mL per 5L of water

SAFETY NOTES

Pamper as a concentrate can be irritating to the skin and eyes. Avoid contact with eyes and ensure proper techniques are used when handling product. Refer to Safety Data Sheet for further information.
