ELIMIN8

AIR FRESHENER AND ODOUR DEODOURISER

Description

ELIMIN 8 is a modern floral disinfectant, deodorant room spray.
ELIMIN 8 has a specially selected perfume having long lasting residuality by slowly releasing the fragrances over an extended period.

Application

In confined spaces **ELIMIN 8** together with its mild disinfectant properties freshens and deodorises by masking obnoxious odours and giving a fresh clean appeal to treated surfaces. **ELIMIN 8** is ideally suited to toilets, washrooms and other areas where odours are a problem.

Features and Benefits

- ❖ Has been designed to kill hospital resident pseudomonas and other pathogenic bacteria found in hospitals
- ❖ **ELIMIN 8** is persistent both in its action against bacteria and its reodorant properties
- ❖ **ELIMIN 8** is at the forefront in spray disinfectants in both action and perfume
- ❖ **ELIMIN 8** is ideal for hospitals, motels, hotels, restaurants and schools to effectively deodorise all types of offensive odours
- ❖ **ELIMIN 8** contains no chemicals which would prove harmful to the ozone layer.

Directions

To disinfect surfaces spray from 15 – 20cm for 3 seconds until surface is covered. For space sanitising and deodourising hold can upright and spray centre of room for 3-4 seconds

Packaging

- ◆ 400 gm aerosol can (12 per carton)
